Here's a Real Canoe

The man at the bow and the man at the stern of an "Old Town Canoe" know they have canoe perfection under them at the first stroke of the paddles. The "Old Town Canoe" is a professional product. There is no guesswork, no amateur workmanship about it. From bow to stern, from keel to gunwale, it is a craft that inspires confidence and breathe clear pleasure. There isn't an unsound stick of wood in an Old Town Canoe. Each hewn from a full number of "Old Town" Canoes is run in long lengths only and each plank is fastened with four copper nails at each rib. Don't spell or mar the fun of your trips with a hard-to-manage, hard-to-paddle canoe. The Old Town Canoe is light for its size, beautifully proportioned and balanced. It paddles easily. Known everywhere. Owned by those who have agents everywhere. Our Illustrated catalog, full of canoe pictures and prices, is sent from the factory. 200 canoes canoes shipped in our storehouse insured prompt delivery.

The Small Game Rifle That's Big Enough For Deer

Price $15

New Model 27 .25-20 or .32-20 calibres

Marlin REPEATER

Rabbit, woodchuck, hawk, fox, wolf and deer fall ready prey to its high velocity smokeless or black and low pressure smokeless loads. For target work it is unexcelled. Built with the famous Trombone Action and Smokeless Steel barrel, unobtainable in any other rifle of its caliber. Its solid top and side-ejection protect shooter's face and eyes, and prevent dirt from entering action.

The desirable take-down construction and heavy Bond sight can be added in other .25-20 and .32-20 rifles. You pay nothing additional for these in the Marlin.

See this hard-hitting, accurate shooting, perfectly-balanced rifle at your dealer's today.

Send 3c. to postage for new catalog showing the complete line of Marlin repeaters, rifles and shotguns.

MULNIN'S STEEL BOATS CAN'T SINK

The reason is this: They are built like Government Torpedo Boats, of tough, puncture-proof steel plates, pressed to rigid form and so securely joined together that a leak is impossible. The Mulnin's Steel Boats are guaranteed against puncture-leaking, waterlogging—warping—drifting out—opening seams—and NEVER REQUIRE CALKING.

MOTORS: The Low-Victor 4-Cycle and Ferro 2-Cycle. Light—powerful—simple—can be overhead by the beginner—start like automobile motors—can be held control—never stall at any speed—exhaust silently under water.

We also manufacture a complete line of steel hunting and fishing boats—row boats—cedar canvas-covered canoes.

Our beautiful book, illustrated in colors, is free.
