STORIES DON'T COUNT.

Kenilworth-
Is the choice new residence tract that has set the pace for high class homes in Phoenix. Already a dozen of the most beautiful residences reflecting art and taste in modern home life are completed. This tract is 90 acres—presenting a large area—all wide avenues, palm lined, improved streets with all modern city conveniences. Fifth Avenue street line passes through middle of tract. It has the right choice location.

Perfect in every respect to make this the most valuable home location in Phoenix of the future. The air is better in Kenilworth—it is the high part of Phoenix. Take Second Avenue east; go out and see Kenilworth: the right place for a home.
