ONE! NIGHT | TREATMENT

Soak the hands on retiring in a strong, hot, creamy lather of Cuticura Soap. Dry and anoint freely with Cuticura Ointment, the great skin cure and purest of emollients. Wear, during the night, old, loose kid gloves, or bandage lightly in old, soft cotton or linen. For red, rough and chapped hands, dry, fissured, itching, feverish palms, with brittle, shapeless nails and painful finger ends, this treatment is simply wonderful, frequently curing in a single application. In no other way have Cuticura Soap and Ointment demonstrated their astonishing curative properties more effec-tually than in the treatment of the hands, especially when tortured with

itching, burning and scaly eczema. Complete local and constitutional treatment for every humour of the skin, scalp and blood, with loss of hair, may now be had for one dollar. Bathe freely with hot water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation and inflam-mation, and soothe and heal, and, lastly, take the Cuticura Resolvent Pills, to cool and cleanse the blood. This treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning and scaly humours, and points to a speedy, permanent and economical cure of torturing, disfiguring humours from infancy to age, when all other remedies and the best physicians fail.
