WATER RECREATION

Even though Mesa is in the heart of a desert, visitors can take advantage of the city's close proximity to a water recreation paradise. There are three lakes and two rivers within 30 minutes of Mesa that allow for desert boating, fishing, rafting, kayaking, water skiing, wake boarding and jet skiing. Or, partake in the ever-popular activity of "tubing", a leisurely float along the cool waters of the Salt River via inner-tube! Contact these nearby lakes below directly for information on boat rentals and current fishing schedules.

Apache Trail

Salt River: The closest river to Mesa, most leisure recreation takes place in the lower and upper portions where outfitters operate guided water tours via kayak, raft and inner tube. The river winds through the Tonto National Forest and offers a convenient day trip for Mesa visitors. Fishing permit required. Day use areas throughout.
