We Are Going Fishing Today

---Are You?

The river is down now, so it is easily forded, and the fishing is reported good. April and May are the months the Colorado salmon are up the river; a number of medium-sized ones have been caught lately. A fishing trip is inexpensive, and one the whole family enjoys. Why not take a day off down or up the river?

We have the old-fashioned cane poles, jointed cane poles, Bristol steel rods, reels, silk, linen and cotton lines, plain and scented hooks, flies, leaders, floats, etc., etc.

Plenty of doves and a few white-wings along the river. Guns for rent. Fresh ammunition.

The river is gone dry, so it is easily fished, and the fishing is reported to be good. April and May are the months that fishermen are up for river fishing, but I must say that even the winter fisherman enjoys it. A fishing trip is a pleasant one, and the whole family enjoys it. It is not a day of great expense.

We have the old-fashioned ice boxes, tin cans, water, cheese, bread, and a few other things along the river. If you like, I'll give you a list.
