bought for speculation but the valley has so fascinated him that he now proposes as above indicated to make it his permanent home. He has been here a number of times; spent most of one summer here and parts every season of the year, so that he knows what he is doing in the way of climate and investment, and the HERALD is pleased to extend to him a welcome to our little city.

Major Spaulding's Death.

The death of Major E. J. Spaulding, which occurred on Monday at the Mesa dam on Salt River, is to be deeply regretted for a good man, a thorough and brave officer, has come to his too early grave. While coming down to Phoenix with Capt. Hatfield in a canoe and shooting as they came, they were about to lift their boat over the Mesa dam, when the Major attempted to remove his gun from the boat, and in doing so it was discharged, killing him almost instantly. He was Commandant at Ft. McDowell, Major of the 4th Cavalry and an officer highly esteemed by his superiors and men under him. He leaves a wife to mourn his sad demise. The widow left today with the remains on her sad and lonely journey to his former home, Kalamazoo, Michigan, where they will be interred.

Another Colony.

From Hon. J. S. O'Brien the Star learns that a large colony of young men and women from St. Louis arrived last week and have settled in the Gila valley not far from Aztec station. They came out in a special, and had three passenger coaches, all of which were switched off at Aztec. They have also had shipped to them several carloads of ready made cottage houses, which will be put together this week and a new and enterprising settlement will be fairly inaugurated.

from Dos Palmas crossing the some distance below Ehrenberg, have an almost perfectly level course come over from the Colorado this valley and no sand dunes to with on the west side of the river. There is not much doubt now that the new strike is an enormous one and quite a town will probably there and a railroad through the would develop a vast amount of Water is found in abundance from the mine by digging ten feet.

The mine is located in a hill due west from Phoenix and six miles distant, with a level course between the two points. It is the same distance from Yuma in the line.

Lost.

Lady's gold watch and chain gram M. H. on front case of watch finder will be well rewarded by the same at the HERALD office.
